

How to host a
Community Saints
Bookclub

Bring your community together this Christmas to give back in a meaningful way.

The Saintly Crew Experience

Turn your love of reading into an act of giving this Christmas.

We've broken it down to simple steps to help guide you!

Step 1 - Gather your Club

Invite your regular bookclub friends (or start a new one) and set a date for your Saintly Bookclub in November or December.

Step 2 - Spread the word

Let everyone know your bookclub will be supporting St Bart's this Christmas.

Instead of bringing food or wine, each person makes a digital donation through the Be a Saint for St Bart's online shop.

Visit our digital hamper shop and choose a virtual gift or hamper to add to the total.

Step 3 – Make it Meaningful

Add a touch of Christmas to your gathering – fairy lights, candles, or a simple blue ribbon to show your support. Begin the evening with a short reflection about generosity, dignity, or community.

If you let us know you will be hosting we can even post you some badges for your saintly guests.

Option – Read, Reflect & Give

Choose a book that inspires connection and compassion.

During your discussion, reflect on how small acts of kindness – like your group's collective donations – can create big change.

Step 6 – Share and Inspire

Take a group photo (without branded items or alcohol, please) and share your experience to inspire others to become Community Saints.

Tag @stbartsperth and use #BeASaintForStBarts.

Encourage others in your community to host their own Hamper Day – together we can fill all the hampers and spread joy across Perth.

Thank you for being a Saint for St Bart's and helping put dignity under the tree this Christmas. Your kindness helps make the season brighter for so many.

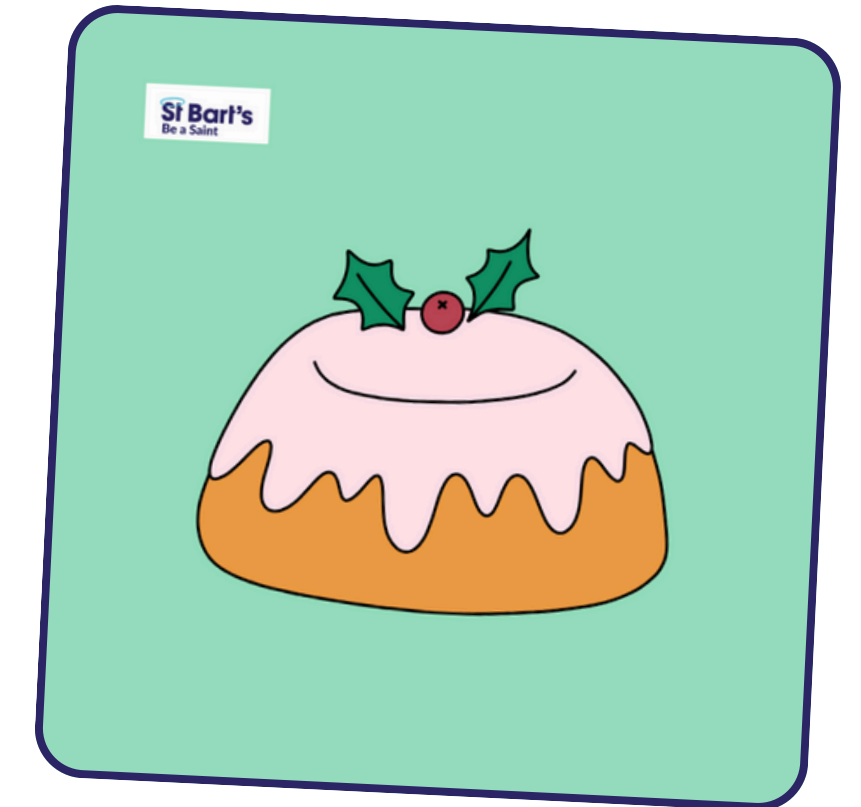

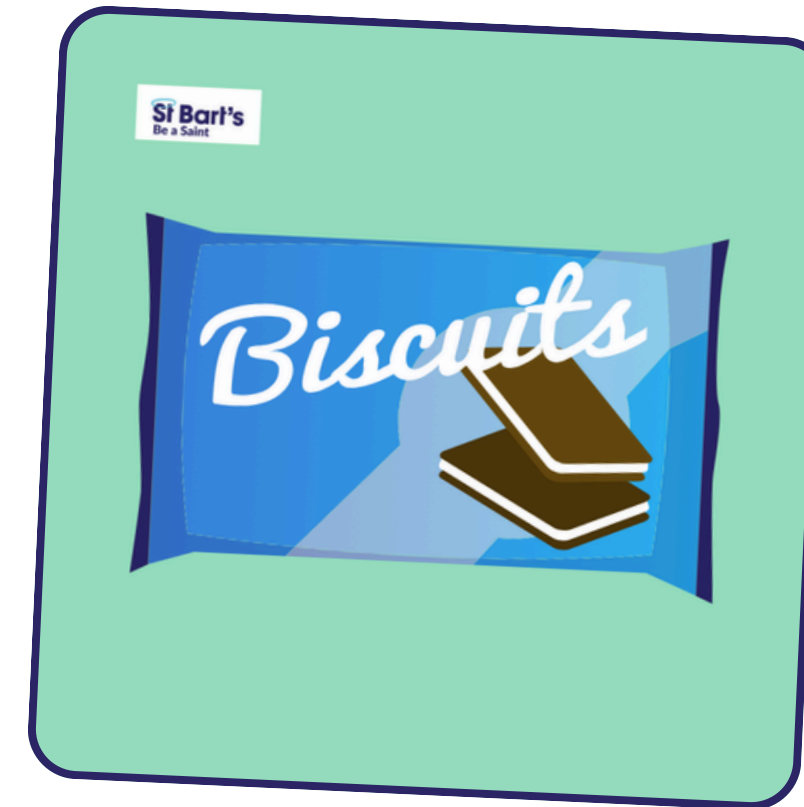

Spread the Joy

This Christmas, Put Dignity Under the Tree.

Encourage your friends, workplaces, and community groups to do the same – because just 60 clubs of 10 people can fill all 600 hampers this Christmas.

Thank You

 Spread the joy
Be the reason
someone keeps
going
